Nine Peruvian Rites of Enlightenment

The Munay Ki means 'be as thou art' or 'love'. The Munay-Ki are nine ancient energetic rites that support our healing and help transform our human energy field to that of homo luminous. The prophecies of the ancient Americans speak about a new human appearing on the planet - one who lives free of fear and is conscious of every action, intent, and thought. The Munay-Ki are the codes for the new human as passed down from the Incan Quero or Shaman. They are delivered in the form of energetic transmissions. The ninth rite, the "Creator Rite", was transmitted for the first time in the summer of 2006 at the Holy Mountains in the Andes. --www.munay-ki.org

The initiation process includes learning the background of the Munay-ki, opening sacred space in the Quero Tradition, using fire and breath to activate the Munay-ki gifts for transformation and protection. Selecting a personal crystal Pi Stone for assistance in this sacred journey is also part of the experience.
